WHO WE ARE

NASER AL SAYER & CO. L.L.C

"NASCO: Empowering Businesses with Excellence Since 1965"

Established in 1965 in Dubai, NASCO has grown into one of the UAE's leading distributors of Office Furniture, Industrial Power Tools, Refrigeration & Air Conditioning Equipment, Test and Measurement Instruments. With branches in Dubai, Abu Dhabi, Al Ain, Sharjah, and Ras Al Khaimah, we cater to industries across the Emirates, GCC, and MENA region.

OUR VISION

At NASCO, we envision a future where excellence, innovation, and customer centric solutions that define industry standards. As a pioneering force in Office Furniture, Industrial Power Tools, Refrigeration & Air Conditioning, and Test & Measurement Equipment, we aim to:

- Lead the market by continuously adapting to evolving industry demands and technological advancements.
- Strengthen partnerships with global brands, ensuring access to superior quality products.
- Drive sustainable growth by maintaining ethical business practices, trusted customer relationships, and a robust distribution network.
- Empower businesses by delivering dynamic, efficient, and high-performance solutions tailored to their needs.

Fuelled by our expertise, reliability, and commitment to excellence, NASCO remains steadfast in its journey toward market leadership, ensuring our customers receive value-driven service and long-term success.

OUR MISSION

NASCO is a results-driven organization committed to providing superior quality, branded products while maintaining open and ethical business practices. We build value for our customers through a dedicated team, fostering an environment of optimism, creativity, and resourcefulness.

OUR MARKET PRESENCE

We are proudly associated with global brands such as Bitzer Compressors, HIOKI Measuring Instruments, and Makita Power Tools, serving contractors, dealers, distributors, and various industries. Over the years, NASCO has become a market pioneer by offering high-quality products, reliable service, and dedicated customer support.

OUR COMPETITIVE EDGE

Extensive Inventory: Over 25,000 line items covering Office Furniture, Power Tools, Refrigeration & Air Conditioning and Test & Measurement instruments.

Strategic Presence: Twelve full-fledged branches and a wide distribution network across all seven emirates.

Trusted Support: Strong focus on after-sales service, competitive pricing, and reliability. Consistent Growth: Expanding our customer base and fostering long-term business relations to drive sustained success.

OUR STRENGTHS

- Wide range of superior-quality global products
- Dynamic adaptability in an evolving market
- Ethical business standards and reliable service
- Accessible presence across the Emirates
- State-of-the-art warehousing and logistics facilities

OUR VALUES

- Customer Relations: We prioritize customer satisfaction and go the extra mile to build long-term partnerships.
- Teamwork & Innovation: We collaborate with businesses to provide tailored solutions for unique challenges.
- Commitment to Growth: Inspired by the UAE's vision for world-class infrastructure and sustainability, Team **NASCO** embraces new challenges, ensuring quality products and lifecycle services for diverse clientele.

At **NASCO**, we are more than a distributor—we are a trusted partner in business growth and success. With a legacy of excellence, industry expertise, and customer-first approach, we continue to innovate, adapt, and elevate the standards of service and quality across the UAE and beyond. Join us in shaping the future—where reliability, efficiency, and superior solutions drive sustainable success.

LFR SERIES Fire Resistant Filing Cabinets have built-in, long-lasting reliability and are specially designed to withstand temperatures up to 900°C for one hour.

They are also built to withstand considerable impact in the event of the cabinet crashing through the floor during a fire.

Features:

- Tongue and groove construction acts as a heat seal and vapor barrier between drawer and body.
- Each drawer is isolated by an insulated bulkhead — if one drawer is left open, others remain protected.
- Heavy-duty suspension slides support up to 50 kg per drawer.
- Rigid construction with a special plinth to withstand severe impact from falls.
